

NITHYA DHARSHINI

W E B D E V E L O P E R

PROFILE

Enthusiastic Web Developer holding a Bachelor's degree in Computer Science, with expertise in Java, HTML, CSS, Bootstrap, JavaScript, React JS, JSP, Spring Boot, and MySQL. Adept at both front-end and back-end development, I excel in collaborative environments and swiftly adapt to emerging technologies. I possess strong problem-solving abilities and a keen passion for creating scalable, user-centric applications that enhance user experiences. Eager to contribute innovative ideas and technical expertise to a forward-thinking development team.

PROFESSIONAL EXPERIENCE

Web Developer Intern

Computira Soft Solutions Pvt. Ltd. | Jan 2024 - Jun 2024

- Expanded a PDF conversion tool, reducing document management time by 30%. Enabled quick Word and image-to-PDF conversions, file merging, and page removal, boosting workflow efficiency.
- Improved user productivity by 25% with intuitive document management features using HTML, Bootstrap, and JavaScript.
- Enhanced a job portal, increasing job postings by 20% and boosting job seeker engagement by 15%, strengthening connections between employers and candidates.
- Streamlined the hiring process, reducing time-to-hire by 25% through a user-friendly platform built with HTML, Bootstrap, JavaScript, and PHP.

PORTFOLIO PROJECTS

Chatting App
